Purpose | Bloomington Youth Soccer Club (BYSC) strives to provide an affordable and competitive soccer experience for all participants. BYSC aims to offer some financial aid to players who demonstrate need. There is a finite amount of aid available each year, based on the Club's annual budget.

Overview |

DEADLINE

Families who wish to request financial aid must do so by completing the online form that is linked to [HERE](#). The club has a limited budget for financial aid so families are encouraged to apply for aid as soon as possible.

AWARD LEVELS

Competitive player fees for the season are detailed on the financial aid application and broken down by monthly payment amounts. Based on the amount for their player, parents will be asked on the form how much of that monthly payment they can pay. The remaining amount would be considered for financial aid paid by the club.

- 1) Proof of free school lunch
- 2) Proof of reduced school lunch
- 3) Extenuating circumstances as detailed on request form

FINANCIAL DETERMINATIONS

All financial aid applications will be reviewed and evaluated by club staff with awards given based on the following:

- 1) Applications are submitted per club policy
- 2) Needs of the team the player has been placed on
