

Bloomington United Soccer Club  
Practice Parent Policy

Date approved: 7/10/23

**Purpose:** In order to ensure the safety of all players, practices must be attended by at least one other adult in addition to a coach.

**Practice Requirement:** For a practice to be conducted, at least one other adult must be present in addition to a coach. The other adult must be a parent, guardian or other family member of a player on the team's roster. If there is not another adult present, the practice must be canceled.

**Assignment:** Team managers should assign a rotation of families to be the practice adult. If the family cannot attend that practice, they are responsible for finding someone to cover their assigned practice.

**Responsibilities:** Practice adults are responsible for tending to injured players and handling other isolated incidents so the coach can continue facilitating the practice session. Practice parents are also responsible for staying at the practice field until all players have been picked up.
