Q. I am certified. Now what?

A. You will want to reach out to Tyler at tyler@matassigning.com to introduce yourself. From there, Tyler will send you a link to be added to the MAT Assigning software, [Notch](#).

Q. How do I get assigned games?

A. There are multiple methods to receiving game assignments: setting your availability and waiting for assignment based on that availability, requesting games, or responding to an email with open games listed.

Q. How much will I earn?

A. Referees earn anywhere between \$25 and \$90, dependent on age, level and position (either center referee or assistant referee).
